Summary

Full Stack with more than 3 years of experience in different stacks. I have worked in companies and startups in different industries, which helped me to be versatile and to know more about each of the businesses. On a personal level, I consider myself someone who likes to do research, keep myself in constant evolution and share what I learn. In addition, I adapt easily to any situation and technology, I know how to work in a team, and I am very communicative.

Experience

Programming Languages

JavaScript TypeScript
Python Java C++ C

Frameworks and Tools

NodeJs Angular React
VueJS Flask Django
Spring Git

Databases

Firebase Firestore
PostgreSQL MySQL
MongoDB

Languages

Spanish (Native Speaker)
English (Intermediate)

Aimo

05/2024 - Present
